# Bee-Bot Party Hats

Get ready to join in the Bee-Bot party! Just print out the party hat template and invite children to colour it in and decorate however they would like. Remember to share these with us on social media – we'd love to see how you are celebrating 20 years of Bee-Bot! Be sure to use #beebot20 in your posts!
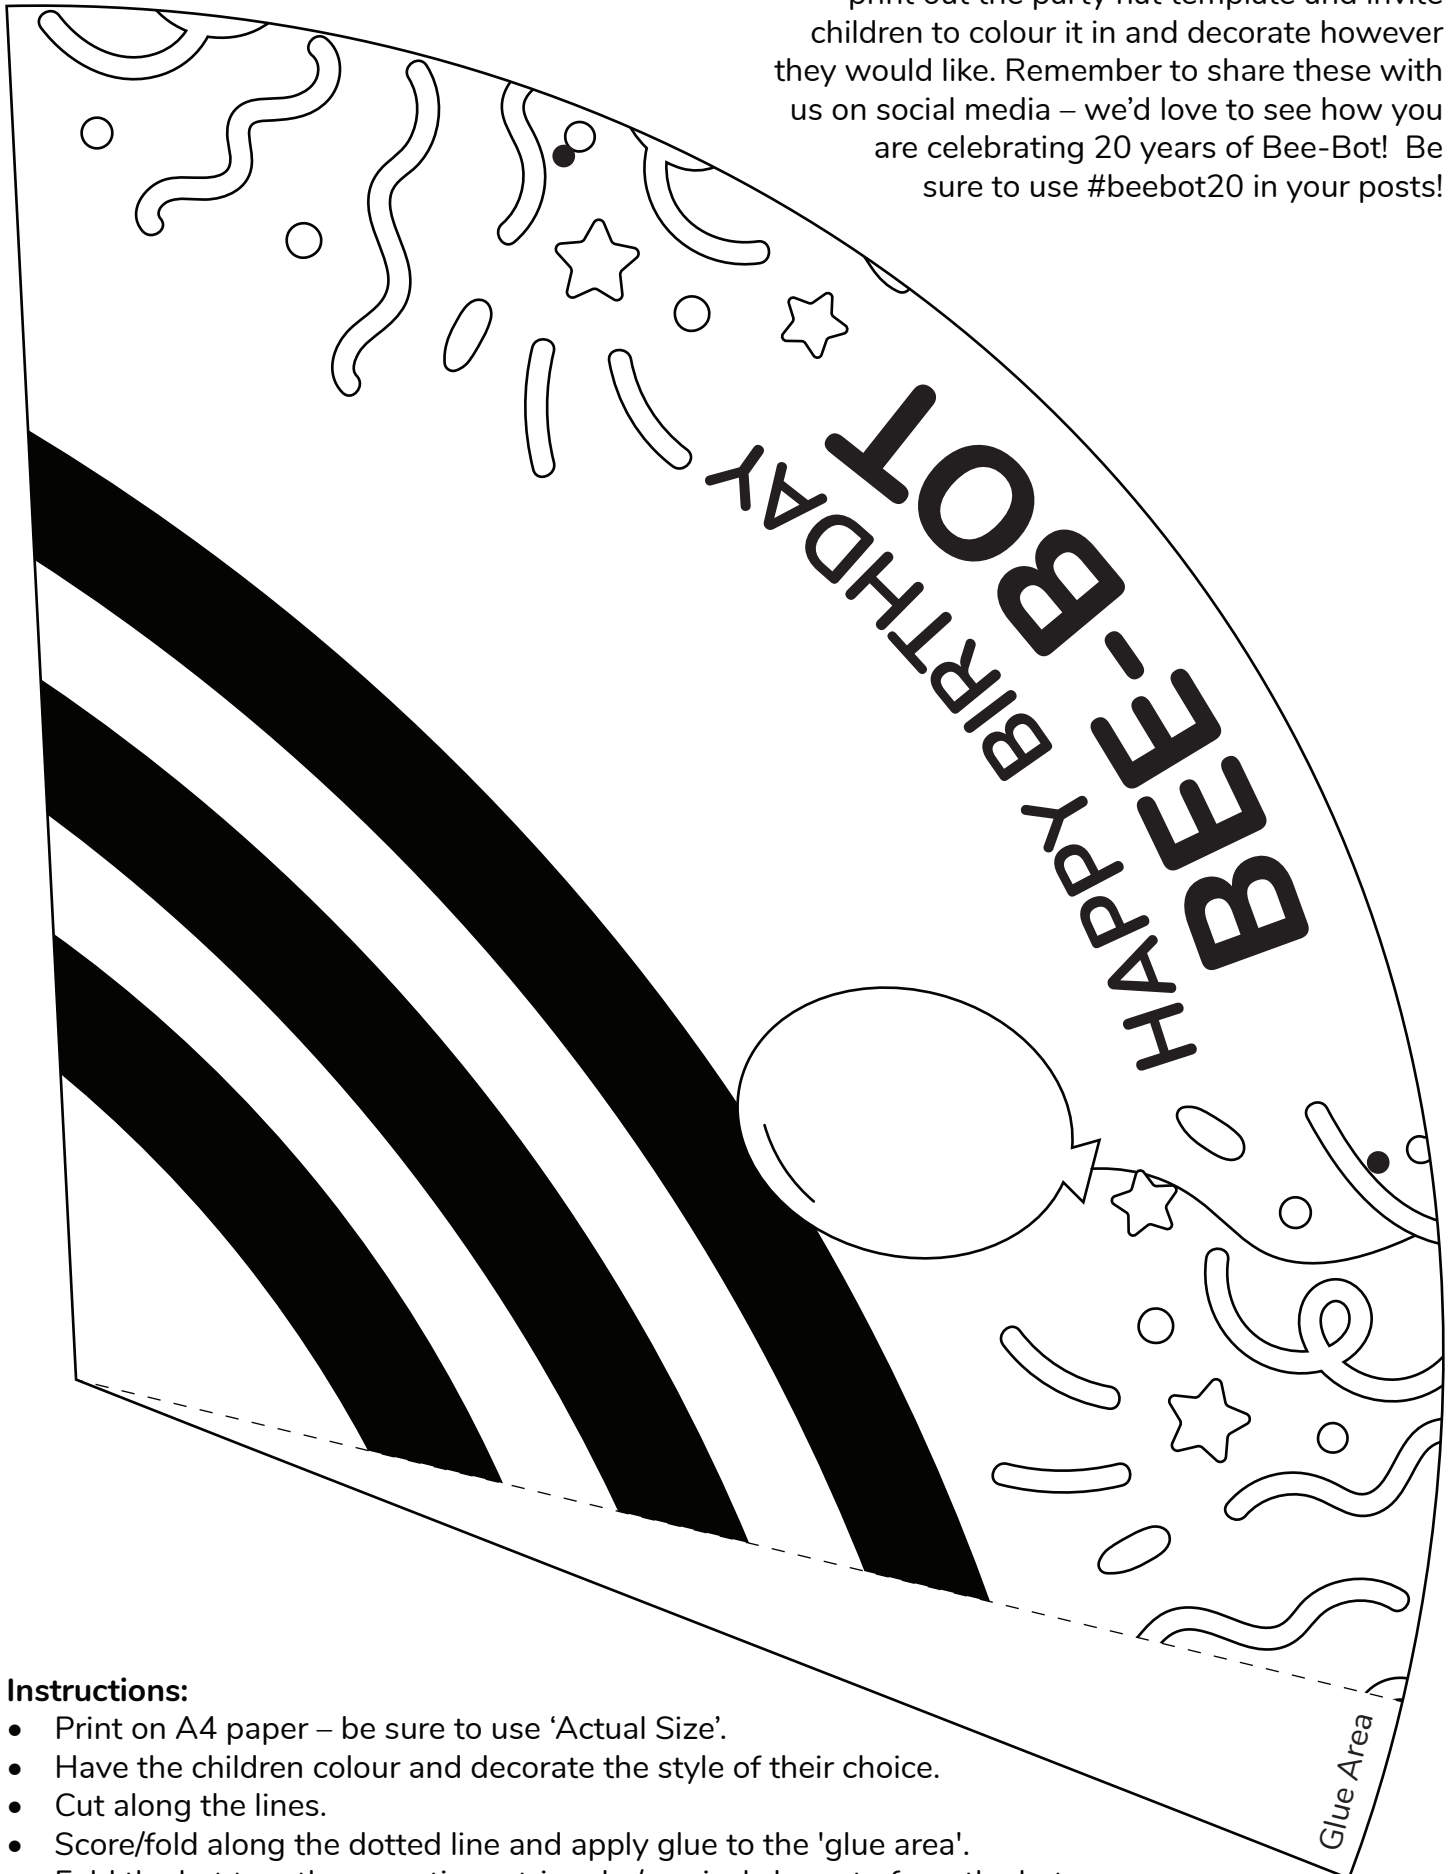

Glue Area

Instructions:

- Print on A4 paper – be sure to use 'Actual Size'.
- Have the children colour and decorate the style of their choice.
- Cut along the lines.
- Score/fold along the dotted line and apply glue to the 'glue area'.
- Fold the hat together, creating a triangle / conical shape to form the hat.
- Place a hole in the marked areas (represented as a dot).
- Thread your measured ribbon through the holes and make sure you create a knot to hold it in place.
- You are ready to wear the hat and join the celebrations in your classroom or home.
